no refusal and no fighting.

Dear Parents,

Summer holidays are here to give us respite from the scorching heat. We hope that our children will enjoy their vacation time as well as hone their skills.

Children learn through experiences and play. You can support them in gaining knowledge & understanding as well as strengthen the parent child bond in many ways.

Some things that as a parent you can do are –

- Take your child on a nature walk.
- Play simple games with your child.
- Make simple conversation.
- Narrate different stories to them.

Holidays are the time to enjoy and have fun, however it is good to devote sometime to keep your children involved in creative activities.
